

REMARKS

The Examiner's attention to the present Application is greatly appreciated.

In the Office Action of October 18, 2005, the Examiner objected to Claim 12 due to the grammatical mistake of including a "[“ in line 3 of Claim 12. This objection is believed to have been overcome by deletion of the “[“ above.

In addition, the Examiner rejected Claims 1 - 4, 6, 7 and 14 - 15 under 35 U.S.C. § 103. However, the Examiner indicated that Claims 5 and 8 - 13 would be allowable if rewritten in independent form including all of the limitations of the base claim and intervening claims. In accordance with the Examiner's instructions, Claims 5 and 8 - 13 have been so amended. In addition, instead of deleting Claims 6 and 7, Applicant has amended such claims so as to depend from Claim 5 and any intervening claims. Since Claim 5 has been indicated as now allowable, Claims 6 and 7 are also believed allowable.

Reexamination, reconsideration and allowance of the claims is respectfully requested.

CONCLUSION

The claims are believed to be in condition for allowance and notice thereof is respectfully solicited. If there are any remaining issues that need to be resolved, it is respectfully requested that a telephone call be placed to the undersigned.

Respectfully submitted,
